Whew!!!

The Camping season is underway and we're eager to make it a great one! We want to thank our campers and staff for their patience and perseverance while mother nature delivered unprecedented rainfall over the last few months. It delayed several maintenance and beautification initiatives and made for more than a few miserable, messy days. Now that we're experiencing warmer temperatures a significant amount of paving was accomplished, grasses can now be cut with consistency and flowers are popping up everywhere.! Keep up the good work! Thank you.

Super Sites

Every summer for the past twenty plus years, Fish Lake has awarded two sites in June, July and August with the honor of Super Sites. An outdoor super site sign and a \$100 check are given. Judges will be looking at the sites throughout the weeks. How does your shed look? Weeds in the driveway? Deck & Trailer clean? What about the back of your unit? Work hard and you could be a super site! Announcement at the July 6th dance for June winners!

We use a smartphone app to notify campers about maintenance of the water and electric or other important, time sensitive matters. The app features our weekly activity newsletter in the News module and the Nearby module features local area entertainment, restaurants, events, shopping, services and attractions. Get the app on Apple on iTunes or GooglePlay for Android phones.
