### Safety Matters at Fish Lake Beach

**Surge protectors are** recommended for appliances & electronics.

**NEW!** Our pool area is video monitored 24x7.

**Overnight Campers:** Please comply with the rules that are part of the registration process. If you have any questions please refer to the copy you were provided or 847-546-2228

**Seasonal Campers:** Please refer to the 2019 Handbook for information, guidelines and rules that are part of seasonal licensing. If you have any questions call 847-546-2228.

### Immediate Assistance

If you have a matter that needs **immediate assistance** please call **847-546-2228**.

### Emergencies

If you are experiencing an emergency call 847-987-2228. For medical emergencies call 911 first.

**STOP!** When the gate is UP drivers are still REQUIRED TO COME TO A FULL STOP.

Our camera activity shows a number of campers blowing through the gate stop sign without stopping or even slowing down. Remember: we can see and record plates. We reserve the right to evict those who compromise the safety of others.

### Gate Info

The interior entry gate opens with access cards. Seasonal campers have plastic access cards, overnight campers use paper cards. No card is needed to open the exit gate. Both gates are programmed to allow **one car to enter or exit at a time**. At various times we have an attendant at the gatehouse however an access card is still required to open the entry gate. Damage to gate equipment is subject to a \$700 fine. The gatehouse area is video monitored 24x7

### Vehicle Passes

2019 vehicle stickers (passes) must be on your car by June 1st, or you'll be charged admission at \$6 per person.

**\*\*\*DO NOT THROW FLUSHABLE WIPES INTO YOUR TOILET! \*\*\***

Please do not throw anything into your toilets except RV biodegradable toilet paper! Our septic system works with a set of pumps to transfer the waste to drain fields. Wipes that are flushed end up clogging our pumps. These blockages, aside from the unpleasant odor, have to be cleared by hand by removing the pump. If the blockage is significant it can stress the motor to the point of burnout.

### NEW

A \$400 Deposit is by Sept 15th to reserve your site for 2020.

2020 Rates were posted on the website on Tuesday August 27th.

### **\*\*Important Messages for Everyone!\*\***

While critters live among us you can help to avoid attracting them to your section: Do not leave food or garbage outside of your trailer, use a different dumpster if the closest is overfilled and the top cannot close, do NOT feed the squirrels or chipmunks--doing so will attract possum, skunk and raccoons.
